

Order Ron Winkler's book, *Images of America Bay View*

Now you can have your own compact history of Bay View complete with a photo archive! The 128 pages are packed with 233 photographs, maps and illustrations (from the society's archives and some from private collections).

The book begins with a short history of Bay View followed by six chapters which capture the essence of Bay View.

1. Early Pioneers
2. The Steel Mill
3. The Churches and Schools
4. Little Italy
5. The Highways and Byways
6. Recreation and Entertainment

This is the first Bay View history containing abundant photos of Bay View.
